

# PROJECT TEAM

**Stuart Milligan**

**Diane Whyte**

**Christine Gentleman**

# TWO PROJECTS

- **Semester 1**
- Outcome 1 of D75X 34 Information Technology Application Software 1
  
- **Semester 2**
- Outcome 1 of F84E 35 Presentation Skills

# IT Applications Software 1

- **Objective**
- Streamline evidence collection for Outcome 1 using e-assessment tools
  - Moodle
  - Mahara
  - Screencastomatic
  - Video
- Based on existing Exemplar Assessment

# IT Applications Software 1

- **Demonstration**
- **<http://student.ayrshire.ac.uk>**

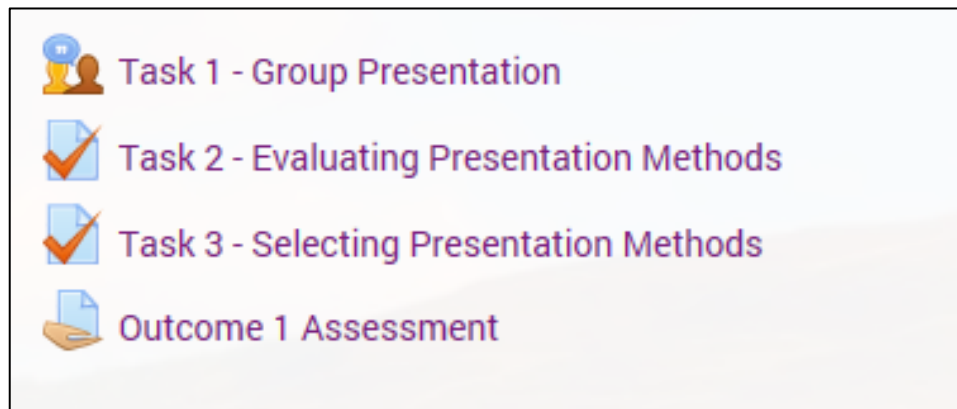

# Presentation Skills

- Objectives
- Improve learner experience
- Make use of various electronic elements
  - Moodle Forum
  - Moodle Matching Quiz
  - Moodle Rubric
  - Audio/Video Files

# Presentation Skills Outcome 1

- Evaluate a selection of business presentation methods appropriate to different presentation scenarios
- Currently – delivery and assessment fairly dry and static
- New – learners will work through a series of tasks on Moodle culminating in summative assessment

-  Task 1 - Group Presentation
-  Task 2 - Evaluating Presentation Methods
-  Task 3 - Selecting Presentation Methods
-  Outcome 1 Assessment

# Presentation Skills Outcome 1

- Task 1 – Learners complete a group task requiring them to create a presentation on different presentation methods and upload to Moodle forum for peer review

# Presentation Skills Outcome 1

- Task 2 – Learners complete Moodle Quiz on benefits and limitations of different presentation methods

**Please match the relevant benefits to the particular presentation method.**

<b>Video Recording</b> 	Choose... <input type="button" value="v"/>
<b>Overhead Projector</b> 	Choose... <input type="button" value="v"/>
<b>Chart</b> 	Choose... <input type="button" value="v"/>
<b>Interactive Whiteboard</b> 	Choose... <input type="button" value="v"/>

# Presentation Skills Outcome 1

- Based on existing exemplar assessment
- Each scenario will be provided on Moodle in both text and audio format
- Learners will be provided with a rubric of required standard
- Learners will be given choice of uploading video, audio or word processed evidence
